The safety of your Child is our primary concern. Precautions will be taken for their well-being and protection.

However, I, being the parent(s) or guardian(s) of the Child, understand there may be certain physical risks and other risks or injury to any and all parts of the body, including death, to the Child in participating in the activities of Cross Church Winnipeg (the "Activities"). I understand that medical and/or dental care may be necessary for the Child as a result of participating in the Activities. I understand that an injured or ill person may need to be moved or transported to a location where outside resources and help can be accessed, and I understand that these situations may increase the severity or extent of an injury and/or reduce the chances of survival. I understand and agree to assume responsibility for any expenses and costs associated with such medical and/or dental treatment and transportation for the Child. I understand and authorize Cross Church Winnipeg Staff and Volunteers to sign any necessary consent(s) for medical and/or dental treatment and to authorize any physician, dentist and/or hospital to provide medical and/or dental assessment, treatment or procedures for the Child.

I acknowledge having read and understood the above, and accept and consent to the above conditions and risks and thus to allow the Child to participate in the Activities.

Accordingly, and in consideration of allowing the Child to participate in the Activities, I hereby absolutely and forever release, remise, acquit and discharge CROSS CHURCH WINNIPEG INC., its officers, directors, employees, members, volunteers, guides, activity instructors, agents, contractors, successors and assigns (collectively the "Releasees") of and from all manner of action or actions, cause or causes of action, suits, dues, sums of money, claims, losses, expenses, demands or damages, of any nature and kind whatsoever, both in law and equity, which I, my next-of-kin, and my heirs, executors, administrators, successors and assigns and/or the Child, the Child's next-of-kin, heirs, executors, administrators, successors and assigns, or any of them (collectively the "Releasers"), has had, now has or can, shall or may hereafter have, for or by reason of or in any way arising out of any cause, matter or thing whatsoever and in particular, without limiting the generality of the foregoing, for or by reason of or in any way arising out of any injury (including serious injury), death, damage or loss (of any kind) that may be sustained by the Releasers or any of them, regardless of howsoever sustained and/or howsoever caused (including, without limitation, negligence, breach of contract, or breach of any statutory or other duty if care, including any duty of care owed under relevant occupiers liability laws), resulting from the Activities, as well as from any medical and/or dental treatment authorized by the Releasees, or any of them.

Please note that photos will be taken for the purpose of documentation and celebration of the event.
